# Ways to Support

## Donor

The majority of donor support is **unrestricted revenue**.

There are limited cases of **restricted** contributed funds such as awards and the AAFF Presents program.

**Donors are acknowledged** on the website, in the program book, and on a poster in the theater lobby during the festival.

**Program-specific donor support:** For 1K or more, an individual donor may support a film program during festival week and receive additional acknowledgement in association with the specific program as a thank you from the stage, name on thank you slide, and printed program guide on the program's page.

**Manupelli Giving Circle** donors make a 5-year commitment to contributing a minimum of \$500 per year.

AAFF accepts **stock contributions** and **bequests**.

As a 501-c3 non profit organization, donations to the AAFF are tax-deductible.

Donors contribute to the AAFF by way of cash, check, credit card, paypal.
